

NET GENERATION PLAYTRACKER

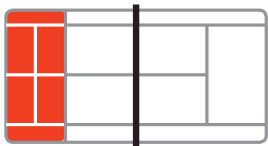

HOW TO PROGRESS

The Net Generation PlayTracker helps players ages 5-10 and their parents navigate and track their development progress. Players will collect play points and win points after playing in USTA Team Challenges, USTA Junior Team Tennis and USTA Junior Circuit events.

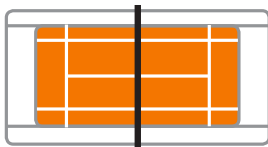

PLAYTRACKER OVERVIEW

- For players 5-10 years old
- Play points (participation) for red, orange, green ball: 100 points per event
- Win points (results) for green ball: 100 points for singles win, 50 points for doubles win

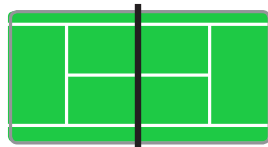

RED & ORANGE BALL

- Starting at 5 years old, players can play in any red and orange ball events
- Recommend players get 1,000 red play points before playing orange

ORANGE TO GREEN PROGRESSION OPTIONS

- Player turns 9 years old
- Player earns 1,000 orange play points (participates in 10 orange ball events)
- Player achieves 85% on a coach assessment (only for 7 and 8 year olds)
 - To be assessed, players can connect to a Safe Play approved and USPTA or PTR certified coach through the Net Generation app

GREEN TO YELLOW PROGRESSION OPTIONS

- Player turns 11 years old
- Player earns 1,500 green PlayTracker points (maximum of 500 green play points)
- Players can earn a maximum of 500 PlayTracker points per event or Junior Team Tennis season (100 play points, 400 win points)
