

USTA PNW COMMUNITY CARES CAMPAIGN

JOIN USTA PNW IN SUPPORTING YOUR LOCAL TENNIS FACILITY

USTA PNW has created this campaign to support local tennis facilities and clubs in the Pacific Northwest—including ours.

Anything is possible with your generous time, love and support of our facility, and we could not be more thankful for you whether you choose to donate or not.

Every dollar donated will go directly to our facility to continue to provide an experience that inspires the love of the sport we play in a place that many of us consider to be our home away from home.

GIVING IS EASY

Visit give.ustapnw.org/CommunityCares, select the amount to donate and choose the facility from the drop down box.

We chose to partner with USTA PNW because they're a nonprofit charitable organization, which makes your donation tax-deductible and ensures that 100% of the funds* raised will come directly to our facility.

Let's build our tennis community back up, together.

DONATE NOW

If you would like to know more about how your donation will be used, please reply to this email or contact our office. If you have any questions about USTA PNW and their efforts to support the local tennis community, please contact mbaker@pnw.usta.com

*All proceeds will be directed to the designated club or facility as directed by the individual donor, excluding processing fees. In cases where the donor chooses to cover the processing fee, 100% of the donation will be designated to the facility or club as selected by the donor.
