THE PRESIDENT'S ADVANTAGE

The Luckiest Person in the World

The USTA Texas Annual Meeting, held in February at the Hilton DFW Lakes Hotel in Grapevine, was an inspirational event for me. The format of the meeting was altered somewhat from prior annual meetings by opening with a "hired gun" guest speaker, who took the stage and focused on leadership and leadership development within our Section. The jury is still out whether our volunteers will accept and embrace this logistic change, as it was an hour earlier than what we are used to but it was indeed different and informative.

Our USTA Board representative was Dave Haggerty, the USTA First Vice President, who will take the reins of the USTA as President and Chairman of the Board next term, 2013-2014. Mr. Haggerty elevated the content and aura of our meeting by attending the six hour Management Meeting and adding insights from his vast tennis industry and management experience throughout the meeting. He attended as many committees meetings that time permitted and sat with the Executive Committee marathon meeting until the gavel pounded the adjournment of the annual meeting on Sunday afternoon. Quite a trooper! Dave demonstrated that he was there to learn, to listen and to contribute when appropriate. His professionalism, enthusiasm, class and wealth of knowledge is evident, leaving no doubt in anybody's mind that he was indeed ready to lead the USTA next term. His presence definitely contributed to making this meeting memorable and special.

The traditional, no-glory Saturday lunch was indeed super special to me this year, however, 15 minutes after we started our buffet line as per the tight schedule, the Awards Committee Chair, Nancy Alfano, was scheduled to present the volunteer service pins to honor some of our volunteers who served the

section for 10 or more years. In the past, most people who are in line at the buffet and others who just started eating don't even get to see the person being recognized. This year, it was different. A professionally produced video was shown with pictures of each honoree and the appropriate years of service that they had served. Everybody was able to see on the large jumbo screens. There were cheers, yells, claps and even standing ovations as the pictures were shown. I got goose bumps as this was happening. Maybe I've gotten supersensitive and hyper appreciative of all our dedicated volunteers throughout our section.

Seeing the smiling faces on the screen of Kevin Clark, Gloria Dial (10 years), Karen Crumpton, John Gilpin, Gerry Maingot (15 years), Betty Sue Hagerman Welch (20 years), Cheryl Hultquist (25 years), Nancy Alfano (30 years) and Ron Fisher (40 years) made me teary eyed with joy and appreciation and even humbleness in being in the same room with them. I realized that I must be the "luckiest person in the world" to have had the opportunity as President of the Texas section to meet so many wonderful, dedicated and enthusiastic volunteers. Our section is one of the jewels of the USTA. We are weird in our own ways, we have differences, but TENNIS unites us and keeps us focused on the real important issue ... of sharing our sport with whomever wants to join us.

I salute and thank every Texas section volunteer from the bottom of my heart. Please don't stop sharing your talents with us so we can continue to deliver tennis in our section. Without you, our lifeblood, it simply can not be done.

The effect this Annual Meeting had on me is self explanatory. "Muchas Gracias."

## Yearbook Edition from USTA Texas

Please see President Trevino's article, which gives a wonderful synopsis of our 2012 Annual Meeting in February. As you may have noticed, our 2011 Yearbook is part of this first issue in which we begin partnering with Inside Tennis. This is a publication with a proven track record and an experienced editor and staff. Although this is our 10th year to have our Yearbook issue as part of a regular publication, you will note that the transition has been seamless thanks to our editor, Derick Hackett, and the folks at *Inside Tennis*.

We invite you to enjoy finding last year's adult rankings, award recipient write-ups, the USPTA Texas leaders, reference lists of statewide volunteers and programs, our current USTA Texas Section leaders, 2011 League winners, 2011 Team Tennis Youth winners, Texas Tennis Hall of Fame recipients, program descriptions, our wonderful sponsors and pictures of happy tennis players. We strongly believe in the historic relevance and documentation of our annual award winners, rankings, volunteer leaders, and stories of each year.

So we invite you to put this on your coffee table or mantle and read at your leisure. Save your yearbooks to one place so that you may some day look back and enjoy the memories and remember why tennis is the greatest sport for youth, adults, friends, and family.

### 2011: A YEAR OF GROWTH FOR TEXAS

Texas enjoyed the position of No. 1 in membership growth among all the USTA sections for the entire year of 2011. We were the only section that showed significant growth in junior tennis paid memberships, which was reflected in a growth in our junior tournaments across the board. Jr. Team Tennis numbers were significant enough to move Texas from No. 5 to 4 among the sections last year.

In fact, although Texas is fifth in general population among the 17 sections of the USTA, we are higher than that in all measurable categories, which includes Individual Memberships (No. 3), Junior Memberships (No. 3), Adult Memberships (No. 4), Junior Team Tennis (No. 4), Adult Leagues (No. 3), and topped by Tennis on Campus (No. 1).

All indications are that the growth will continue, much fueled by the success to date of the CTA Expansion Plan. So, if you haven't done so already, join your nearest Community Tennis Association (found on [www.texas.usta.com](http://www.texas.usta.com)) and start having fun with the rest of us!

# USTA TEXAS HIGHLIGHTS

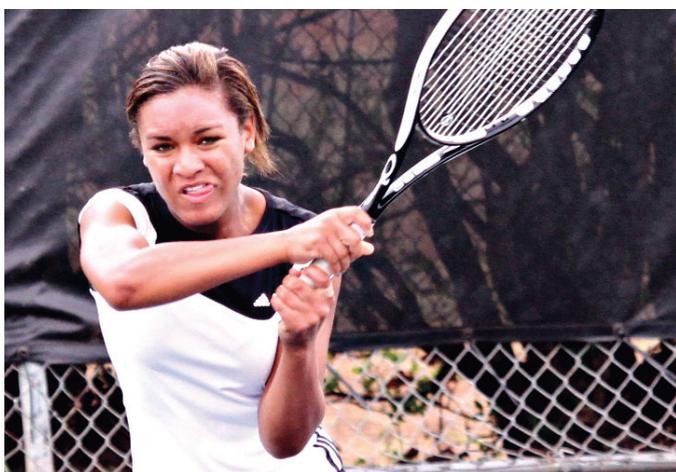

Once again Texas stands out among the USTA sections this year finishing as one of the fastest-growing sections with more than 57,000 members.

With a strong, local-empowered Community Tennis Association Expansion Plan, the section has “qualified” 17 CTAs, which continue to run USTA league and Junior Team Tennis programs. Texas is proud to have three USTA Certified Regional Training Centers (Austin Tennis Academy, the John Newcombe Tennis Ranch and T Bar M of Dallas), which hosted six Regional Player Development Camps focused on ages 7-13.

USTA Texas hosted 46 National QuickStart Training Workshops and held 25 Endorsed 10 and Under Series series events. The section more than doubled the number of participants and increased its number of Approved 10 and Under Facilities to 36.

Texas hosted the U.S. vs. Spain Davis Cup quarterfinal match. A capacity crowd of 16,269 fans attended each of the three days, totaling 48,807. This was the second-highest attendance mark in U.S. Davis Cup history. The event also featured a free Tennis Festival hosted by the section, the Mobile SmashZone, a draw ceremony and concert.

# YEAR IN REVIEW 2011

More than 33 Texas colleges participated in Texas Tennis On Campus regional tournaments. The year-end Campus Championships featured 80 teams and more than 600 college club players. Marta Lesniak of SMU won the Women's USTA/ITA National Indoor Intercollegiate Championship.

Texas' NJTL Kid's Days were hosted in Austin, Dallas and Houston. Austin's Kids' Day was held in conjunction with the Davis Cup Festival, with more than 350 NJTL participants. Houston hosted 820 and Dallas welcomed 325. Twenty participants attended the NJTL Tennis Leadership Camp. Kari Burt was named as one of the 14 national winners of the Arthur Ashe Essay and Art Contest.

Junior Team Tennis continues to grow in Texas with more than 6,400 participants. The team from Austin won the USTA Jr. Tennis Team 18U Advanced National Championships, its second title in three years. Other junior teams placing at nationals include a second-place finish in 14U Adv from Saginaw. The Texas Junior Davis Cup team won the Boys 18s National Championship, and Peggy Porter won the 16s singles and doubles crowns, while Anna Bright won the doubles Girls' 12s at the USTA Girls' National Clay Court Championships. Texas received a total of 62,819 junior tournament entries for 2011.

USTA Texas experienced a record number of League partici-

pants, reaching the 58,000 mark, up 7 percent. Texas' league teams finished and placed at nationals, bringing home a national title was the Women's 4.5 Senior (Dallas); second-place by the Men's 5.0 team (Austin), Men's 4.0 team (Houston), and the Men's 3.0 Senior and Women's 4.5 both from Tyler; third-place by the 3.5 Men (Dallas); fourth-place by the 9.0 Mixed team (Katy), 2.5 Women and 4.0 Senior Men's both from Fort Worth.

The Wheelchair Run/Roll Series, now a more formal and structured event, held four one-day events this year that included the top players earning berths in the Run/Roll Invitational.

## Houston Tennis Association named 2011 USTA National CTA of the Year

The Houston Tennis Association (HTA) was named the USTA 2011 Community Tennis Association of the Year at the Community Tennis Development Workshop on Jan. 14, 2012, in New Orleans.

The USTA announced that the Houston Tennis Association has been selected as the 2011 National Community Tennis Association of the Year. The Houston Tennis Association was selected from a pool of approximately 1,200 community tennis associations from across the country for its tireless commitment to growing tennis in its community.

The HTA collaborated with the City of Houston Parks and Recreation to execute the National Junior Tennis & Learning program, which is a free youth tennis program designed to provide children with learning the fundamentals of tennis as well as the educational components that develop life skills. To date, this program has had a positive impact on thousands of children in the Houston area. In addition, HTA developed numerous community partnerships to provide tennis opportunities for residents of all ages, including the Special Olympics, CASE (Cooperative for After-School Enrichment), Houston Wheelchair Association, and several local tennis associations.

## Central Texas Tennis Association earns NJTL Chapter of the Year

Sarah Pernell of the Central Texas Tennis Association based in Austin accepts the 2011 USTA NJTL of the Year for budgets of less than \$50K. CTTA was one of three NJTL of the Year award winners at the Community Tennis Development Workshop held on Jan. 14 in New Orleans.

The USTA recognized the Central Texas Tennis Association (Austin, Texas) as one of its three National Junior Tennis & Learning of the Year Award winners for 2011. USTA recognizes NJTL programs that reflect the vision of its founder Arthur Ashe, Charlie Pasarell and Sheridan Snyder at its 2012 Awards Program held in New Orleans on Jan. 14 as part of the Community Tennis Development Workshop.
